

## RETIREMENT HOME APPLICATION

### Retirement Home

The Jack Russell Terrier Club of Canada, it's Directors and Officers assume no responsibility, liability, profit nor expense at any point in arrangements made between a Breeder and a Respondent in regard to the "Retirement Home". Any placement is the sole responsibility of the Breeder and Respondent.  
Breeders wishing to post retirement terriers must be members in good standing

Terriers name: Swift Run Vengeance

Sex: Male or Female : Male

Age: 8yrs

Specify: Spayed/Neutered/Unaltered: Unaltered

Specify any issues: (i.e. cats, other dogs, and children): No cats or small children

Give some information about personality/traits:

Great temperament, can run with females with no issues. Would be great in a home with older children that are active, he is probably the most energetic terrier we've owned.

Farm setting or country setting would be ideal. Vengeance is a outdoor kennelled dog so he still has to be housebroken and neutered.
